SCHEDULE "X"

1. ADJUSTMENTS

The balance due on the Closing Date after credit of the deposits paid by the Purchaser to the Vendor shall be adjusted on the Closing Date as to the items required by the terms of this Agreement (plus Applicable Taxes) which shall include, without limiting the generality of the foregoing, the following:

- (a) The Purchaser agrees to take all necessary steps to assume immediately on Closing, charges for electricity, water, gas and other services, and the Vendor may recover any payments made by the Vendor on account of the Property from the Purchaser. Subsequent to Closing and prior to assumption of the Subdivision by the Municipality (the term "**Subdivision**" shall mean the plan of subdivision to be registered by the Vendor or the Subdivider upon lands that comprise the Property as well as other nearby lands, pursuant to The Corporation of Norfolk County's draft plan of subdivision file No. 28TPL2022079) if the Purchaser changes any or all of the utility suppliers, the Purchaser shall be responsible for the repair of any damage caused to the Property and neighbouring lands by such alternate utility suppliers and any costs incurred by the Vendor or Subdivider (as defined below) to restore the Property to the original state provided by the Vendor. The Purchaser shall pay, or reimburse the Vendor for any other prepaid or current expense, such as gas, electricity and water expenses; and any expenses, charges or costs paid or incurred by the Vendor or an affiliate or related company to bring, provide, deliver and/or make available services, systems and/or utilities to the Property and/or the Subdivision which may include, without limitation, infrastructure and related construction costs, including, without limitation, any expenses, charges or costs with respect to: sewer relocation works, the connection or reconnection of sewers, sewer impost charges, the installation and/or connection of electricity, water and/or gas services (including, without limitation, any energization charges and any deposits required by any utility or service provider), and/or the installation of meters for any of the foregoing and the cost of such meters, notwithstanding that the Purchaser shall not own such meters. If the aforementioned expenses, charges and costs are not assessed against the Property directly, then the Vendor shall be entitled to a reimbursement for the foregoing, as may be apportioned by the Vendor, equally among all of the residential dwellings within the Subdivision, or in such other manner as the Vendor may elect, acting reasonably;
- (b) Taxes, fuel, water rates, assessment rates and local improvements to be apportioned and adjusted with the Vendor being responsible for all such charges up to the Closing Date with the Purchaser being responsible for all such charges from and including the Closing Date. Where the Vendor has posted security for taxes, made payment for taxes or has been advised by the applicable authority that taxes will be billed to its account for the current year and/or following year, taxes shall be adjusted as if such sum had been paid by the Vendor notwithstanding that the same may not by the Closing Date have been levied or paid, subject, however, to readjustment upon the actual amount of said realty taxes being ascertained. In the event realty taxes have not been individually apportioned or assessed in respect of this Property and remain en bloc, then notwithstanding that such en bloc taxes may be outstanding and unpaid, the Purchaser covenants to complete this transaction and accept the Vendor's undertaking to pay realty taxes once individually assessed against this Property and agrees to pay on Closing a deposit to be readjusted and to be applied on account of the Purchaser's portion of realty taxes applicable to this Property. Municipal realty tax re-assessment and/or supplementary tax bills relating to the Dwelling constructed on the Property issued subsequent to the Closing shall be the sole responsibility of the Purchaser. Notwithstanding the foregoing, the Vendor shall not be obliged to make any readjustment of the foregoing deposit in the event that such readjustment is equal to or less than \$150.00;
- (c) The transaction levy surcharge imposed upon the Vendor or its solicitors by the Law Society of Ontario plus Applicable Taxes shall be reimbursed to the Vendor on the Closing;
- (d) any enrolment and/or regulatory fees paid by the Vendor for the Property under, pursuant to or as a requirement or prerequisite of any governmental authority and any of the following: the Ontario New Home Warranties Plan Act (the "Warranty Act"), New Home Construction Licensing Act, 2017, or by any of the regulators or authorities pursuant to any of the foregoing, including, without limitation, the Tarion Warranty Corporation, and/or the Home Construction Regulatory Authority, plus Applicable Taxes thereon;
- (e) a \$500.00, plus Applicable Taxes, administrative fee shall be charged to the Purchaser for any direct deposit or cheque paid for a deposit or for any upgrades which is not honoured or accepted by the Purchaser's bank for any reason, including, without limitation, a cheque returned N.S.F. or upon which a "stop payment" has been ordered;
- (f) any levy, charge, payment, contribution, fee or assessment, including without limitation, any parks levies, development charges, education development charges, cash-in-lieu of

parkland dedication payments, public art contributions and/or impost charges, required, assessed, charged or imposed by the Municipality, a regional municipality, a transit authority, a public or separate school board or any other authority having jurisdiction under the Development Charges Act, the Education Act, the Planning Act and any other existing or new legislation, bylaw and/or policy of a similar nature assessed against or attributable to the Property shall be reimbursed to the Vendor on the Closing. If the amounts owing under this subsection are attributable, assessed against, charged or imposed against the Subdivision as a whole and not against the whole or any part of the Property separately, then the Vendor shall be entitled to a reimbursement for the foregoing, as may be apportioned by the Vendor in accordance with Section 1(a) above;

- (g) the following shall be paid to the Vendor on the Closing, plus Applicable Taxes exigible thereon: any increase between the development charges and education development charges assessed against or attributable to the Property (pursuant to the Development Charges Act, the Education Act or any successor or replacement legislation) on the date of execution of this Agreement by the Purchaser (if same are paid or could be paid on such date) and the amount actually paid for said development charges and education development charges, together with any other or new levies, charges, payments, contributions, fees or assessments, including without limitation, any parks levies, cash-in-lieu of parkland dedication payments, new development charges, new education development charges, public art contributions, impost charges, and/or community benefit charges or payments assessed against or attributable to the Property by the Municipality, a regional municipality, a transit authority, a public or separate school board, a conservation authority or any other authority having jurisdiction under the Development Charges Act, the Education Act, the Planning Act (as amended by the *More Homes, More Choice Act, 2019*) and any other existing or new legislation, bylaw and/or policy of a similar nature. If the amounts owing under this subsection are attributable, assessed against, charged or imposed against the Subdivision as a whole and not against the whole or any part of the Property separately, then the Vendor shall be entitled to a reimbursement for the foregoing, as may be apportioned by the Vendor in accordance with Section 1(a) above;
- (h) The Purchaser shall also pay the cost and/or value of any non-cash and/or in-kind contributions, works and conveyances made, performed and/or carried out by or on behalf of the Vendor in favour of, at the request of, for the benefit of, pursuant to a requirement of and/or pursuant to an agreement with the Municipality, a regional municipality, a transit authority, a public or separate school board, a conservation authority or any other authority having jurisdiction under the *Development Charges Act*, the *Education Act*, the *Planning Act* (as amended by the *More Homes, More Choice Act, 2019*) and any other existing or new legislation, bylaw and/or policy of a similar nature, plus Applicable Taxes thereon. If the amounts owing under this subsection are attributable, assessed against, charged or imposed against the Project (or portion thereof) as a whole and not against the whole or any part of the Property separately, then the Vendor shall be entitled to a reimbursement for the foregoing, as may be apportioned by the Vendor in accordance with Section 1(a) above;
- (i) a \$150.00, plus Applicable Taxes, administrative fee shall be charged to the Purchaser for each sum that the Vendor permits to be paid to the Vendor's solicitor on account of the Purchase Price for the Property by wire transfer. All payments by wire transfer shall be made in strict accordance with the provisions of the Vendor's solicitor's wire transfer form, which may be amended by the Vendor's solicitor from time to time;
- (j) if a restriction pursuant to Section 118 of the *Land Titles Act* is registered against title to Property in favour of a municipal authority and the Vendor must cause such restriction to be deleted from title in order to convey the Property to the Purchaser, then the Purchaser shall reimburse any fee paid by the Vendor to the municipal authority to delete said restriction, plus Applicable Taxes, as well as the Vendor's legal fees of \$275.00 plus disbursements and Applicable Taxes in respect of same;
- (k) The Purchaser shall provide a refundable security deposit in the amount of \$2,500.00 on the Closing (the "**Security Deposit**") to secure compliance with the Purchaser's obligations hereunder including, without limitation, the Purchaser's grading and subdivision damage covenants. The Purchaser and/or the Purchaser's designate does hereby agree that at the time of the PDI or such other time as may be set by the Vendor, the Purchaser and/or the Purchaser's designate will attend at the Property and upon such request, the Purchaser and/or the Purchaser's designate and Vendor mutually agree that they will attend at the Property to inspect with the Vendor the subdivision services installed by the Vendor or Subdivider and to compile a list of all existing damages or defects to the subdivision services, including buried or damaged water boxes and keys, damaged curbs or sidewalks, retaining walls, acoustic barriers, fences and other such applicable services. Such compiled list to be signed by the Vendor and the Purchaser and/or the Purchaser's designate, and the Purchaser shall not under any circumstances be responsible for the cost of repair, rectification or replacement of such existing damages or defects and the Vendor shall not

apply any portion of the Security Deposit paid by the Purchaser in compliance with this Agreement in respect of the repair, rectification or replacement of any such existing damages to the subdivision services. The Subdivider's consulting engineer for this subdivision shall be the authority for the development of the subdivision as a whole and will determine responsibility and damages and costs therefore and in the event that the Subdivider's consulting engineer determines the responsibility for the cost of repair, rectification and/or replacement is that of the Purchaser, then the Vendor will charge the Purchaser accordingly, save and except for those items listed on inspection as noted herein and the Purchaser agrees to abide by such engineer's decision and the Vendor will deduct the cost of such repair, rectification or replacement from the Security Deposit relevant thereto. Should the cost of such repairs, rectification or replacement EXCEED the value of the Security Deposit, then the Vendor shall be entitled to compensation from the Purchaser for the difference between the Security Deposit and such costs and the Purchaser shall pay such shortfall amount upon demand by the Vendor. The Security Deposit, (or any balance thereof after applicable deductions as herein described) shall be released to the Purchaser(s) named in this Agreement AFTER the event of municipal assumption of subdivision services and the completion of all the Tarion warranty periods for the Property.

- (l) In the event the Vendor has undertaken an obligation for subdivision esthetic enhancement such as boulevard treatment or improvement, or landscaping (including tree planting), or subdivision entrance features, or privacy fencing, lot-line fencing, chain-link fencing, corner lot fencing (or other fences/fencing), or retaining walls, or driveway enhancements and/or any other item of a similar nature in the Subdivision, the Purchaser shall, on Closing, reimburse the Vendor as to the cost thereof for the Property, the cost to be absolutely determined and apportioned by the Vendor, said funds to be capped at no more than \$1,500.00, plus Applicable Taxes;
- (m) In the event the Vendor has provided the Purchaser with a building or foundation survey, the Purchaser shall pay the Vendor same in the amount of \$600.00, plus Applicable Taxes as an adjustment on Closing;
- (n) The Purchaser shall pay \$2,500 plus Applicable Taxes if the Property has a double driveway and \$1,200.00 plus Applicable Taxes if the Property has a single driveway, for the top coat of asphalt on the subject driveway, irrespective of whether the driveway; is constructed after the Closing Date;
- (o) If the Purchaser fails to enter into any necessary contractual arrangements with the relevant public or private utility authorities and suppliers with regards to the provision of water, hydro, gas, cable TV and/or any other service to the Property on or after the Closing Date, the Purchaser shall forthwith upon demand pay to the Vendor all amounts charged to the Vendor after the Closing Date with regards to such utilities and/or services plus the Vendor's administrative fee of \$250.00 plus Applicable Taxes for each month (or part thereof) that the Vendor is charged for said utilities and/or services;
- (p) A fee of \$1,500.00 plus Applicable Taxes shall be charged to the Purchaser to be paid at the time a determined by the Vendor for a change in lot or model type if such request is made more than 10 days after the date of acceptance of this agreement of purchase and sale and further provided that such change shall be subject to the express written approval of the Vendor, which approval may be refused in the Vendor's sole, absolute, subjective and unfettered discretion.
- (q) if requested by the Vendor or the Electricity Provider (as defined below), then the Purchaser agrees to enter into or assume a contract with the provider of electricity and/or the party monitoring consumption of electricity to the Property (the "Electricity Provider"), on the Electricity Provider's form, for the provision and/or metering of electricity services to the Property. The fees, costs and charges (including, without limitation, any rental, security deposit, pre-payment, administration, commodity and non-commodity fees/charges) for such electricity services and/or for monitoring consumption of same shall be adjusted for the month of closing with the Purchaser being responsible for such fees, costs and charges from and after the Closing Date;

The fees, costs and charges (including, without limitation, any rental, security deposit, pre-payment, administration, commodity and non-commodity fees/charges) for such gas services and/or for monitoring consumption of same shall be adjusted for the month of closing with the Purchaser being responsible for such fees, costs and charges from and after the Closing Date.

The Purchaser acknowledges and agrees that certain amounts payable by the Purchaser as adjustments under this Agreement may include costs, expenses and sums paid by a company or person other than the Vendor (for example, a company or person affiliated or related to the Vendor, a company or person acting as agent for and on behalf of the Vendor, or by a predecessor in title to the lands upon which the Condominium is constructed). Notwithstanding that such costs, expenses and sums were not paid directly by the Vendor itself, as aforesaid, the Purchaser covenants and agrees to pay such amounts as adjustments on the Closing Date in accordance with the herein terms.

In the event that the Vendor (or a company or person affiliated or related to the Vendor or a company or person acting as agent for and on behalf of the Vendor) receives any rebate, credit, recovery, adjustment, discount or similar benefit from any party or parties in respect of any item that the Vendor is entitled to charge the Purchaser for in accordance with this Agreement, then the Vendor (or a company or person affiliated or related to the Vendor or a company or person acting as agent for and on behalf of the Vendor) shall be entitled to retain any such rebate, credit, recovery, adjustment, discount or similar benefit for its own use and as its own property absolutely and shall not be obliged to credit or adjust with the Purchaser for any such rebate, credit, recovery, adjustment, discount or similar benefit.

All proper readjustments shall be made after Closing, if necessary, forthwith upon written request. The Vendor may register a Notice of Vendor's Lien or a Charge, in the Vendor's usual form, for unpaid purchase monies or adjustments or claims herein provided together with the interest thereon as provided for herein, and the Purchaser covenants and agrees to forthwith pay all costs in relation to said Notice of Vendor's Lien or Charge including, without limitation, the Vendor's solicitor's legal fees and disbursements and the cost to register said Notice of Vendor's Lien or Charge on title to the Property. The Purchaser hereby irrevocably consents and authorizes the Vendor and the Vendor's solicitors to register the aforementioned Notice of Vendor's Lien or Charge on title to the Property, without liability on the part of the Vendor or the Vendor's solicitors with respect to such registration;

The adjustments described herein which constitute reimbursements by the Purchaser to the Vendor may, at the Vendor's sole, absolute and unfettered discretion, be conclusively established, determined and/or apportioned, by way of certification by the Vendor and/or by way of a consultant retained by the Vendor.

2. **SUBDIVISION MATTERS**

- (a) The Vendor, the subdivider (the "**Subdivider**") of the plan of subdivision in which the Property is situate or their servants or agents may, for such period after Closing as is designated by the Subdivider and/or Vendor, enter upon the Property at all reasonable hours to enable completion or correction of sodding, fencing, corner lot screens or fences, subdivision aesthetic enhancement features, to inspect, repair, complete or rectify construction, grade and undertake modifications to the surface drainage, including installation of catch basins, without liability therefor, and the Transfer/Deed may contain such provisions.
- (b) The Purchaser will not alter the grading of the Property contrary to the municipally approved drainage pattern, and provided that lot grading has been completed in accordance with the municipally approved drainage and/or grading control plan, the Purchaser is estopped both from objecting thereto and from requiring any amendments thereto. If the Vendor has not undertaken to pave or finish the driveway pursuant to this Agreement, the Purchaser shall not pave or finish the driveway without the prior written consent of the Vendor and the prior written consent of the Subdivider and the Municipality, if required by the subdivision agreement or any other municipal agreement. Following such approval and prior to completing the driveway, the Purchaser shall notify the Vendor in writing so that water keys/boxes can be located and raised, if necessary. The Purchaser covenants and agrees not to damage or alter any subdivision service, and shall be liable for the cost of rectification of any such damage or alteration, and in the event same is not paid upon demand, the Vendor shall have the right to register a lien on title to secure such payment. The Purchaser agrees that neither the Purchaser(s) nor their successors or assigns shall construct or install a swimming pool, hot tub, underground sprinkler system, fencing, decking, curbs, retaining walls, landscape rocks, trees, shrubs, gazebos or other structures, nor shall the Purchaser

alter or widen the driveway upon the Property until after the Vendor has obtained acceptance of lot grading from the Municipality and the Subdivider and after the Purchaser has made due application for (if applicable) any permits required for such work by the Municipality or any other authority with jurisdiction. The Purchaser agrees to remove such additions and/or improvements at its own cost upon the Vendor's request, failing which the Vendor may remove same at the Purchaser's expense. Any changes to the grading in contravention of the foregoing by the Purchaser shall result in the forfeiture of the Security Deposit and the Purchaser shall reimburse the Vendor for any costs over and above the Security Deposit resulting from the Purchaser's contravention of the foregoing.

- (c) The Purchaser acknowledges that construction of the Dwelling may be subject to the requirements of the architect appointed by the Subdivider (the "**Subdivider's Architect**") and the Purchaser agrees to accept the Property subject to any changes, variations or restrictions now or hereafter imposed by the Subdivider or Subdivider's Architect.
- (d) The Purchaser acknowledges that the dimensions, specifications, layouts and sizes of the Property set out in this Agreement or on any schedule attached hereto or shown on any drawings, brochures, renderings or plans made available to the Purchaser on site or otherwise are approximate only and are subject to change without notice. In the event the dimensions, specifications, layouts and sizes (including without limitation, the frontage, depth or area of the Property) are varied from those specified in the Agreement, or on any schedule attached hereto or shown on drawings, brochures, renderings or plans made available to the Purchaser on site or otherwise, as aforesaid, or any or all of the foregoing and provided the Property complies with municipal and other governmental requirements including zoning by-laws, the Purchaser agrees to accept all such variations without claim for abatement in the Purchase Price and this Agreement shall be read with all amendments required thereby. In addition to the foregoing, if minor variations to the size of the Dwelling including internal dimensions of any areas are made to the Dwelling the Purchaser shall accept such minor variations without any abatement to the Purchase Price. The Purchaser acknowledges that the Dwelling is a model type, and may not match the floor plans and elevations specified in the Agreement, or on any schedule attached hereto or shown on drawings, brochures, renderings or plans made available to the Purchaser on site or otherwise. In addition to and notwithstanding anything herein, the following alterations and adjustments may be made by the Vendor to the lot and model type selected by the Purchaser for any reason, and shall be deemed for all purposes to be minor or adjustable, and the Purchaser shall accept the dwelling constructed on the Property with any or all of the following changes without compensation: (a) a change in the front elevation of the Property that results in an increase or decrease in the number of steps to the front door and any change to the grading which affects or alters the steps and entry to the dwelling from the front door to the lot line of the Property; (b) the deletion or addition or relocation of any and all entry doors to the garage; (c) the relocation or the raising or lowering of the elevation of any other entry doors into the dwelling or the elevation of the laundry area; (d) the addition or deletion of steps into any and all of the rear yard, the side yard and the garage; (e) the installation of a threshold dividing rooms or living areas required by differences in surface elevations or floor materials; (f) the substitution of a door for a patio door, or a patio door for a door, (g) the substitution of a door or patio door for a window, or a window for a door or patio door; (h) the construction of the dwelling reversed to the layout shown on the model floor plans; (i) any other substitution by the Vendor permitted under this Agreement; or changes in the location in the basement of the furnace, the water tank, or other services; (k) a reduction in the area of the dwelling within the tolerances permitted by the Tarion Requirements; (l) any changes imposed by the Municipality or the architectural control architect, either before or after approval of the plans by either or both; (m) any other change that does not reduce the market value of the property as of the Closing Date; and/or (n) any other change that the Vendor's architect and/or technologist in his unfettered discretion considers minor, and the statutory declaration of the architect and/or technologist or his employee in charge of the project shall be deemed to be conclusive and binding on the Purchaser. If the Vendor makes any other change that is not deemed minor or adjustable without compensation, the Purchaser's sale remedy shall be to complete the Closing and make a claim for compensation, measured by the reduction to the market value of the Property as of the Closing Date.
- (e) All exterior elevations and colours are architecturally controlled and approved. No changes whatsoever will be permitted to the aforementioned prior to assumption of the Subdivision by the Municipality, and the Purchaser hereby acknowledges notice of same and agrees to accept the exterior elevation and colour scheme as architecturally controlled and approved. The Purchaser hereby acknowledges and accepts the Vendor may be required to substitute finishes based on supply availability. Any changes to the aforementioned by the Purchaser shall result in the forfeiture of the Security Deposit and the Purchaser shall reimburse the Vendor for any costs over and above said deposits resulting from the aforementioned Purchaser's changes and any obligation imposed upon the Vendor by any authority with jurisdiction to restore such architecturally controlled and approved colours and/or finishes.

- (f) The Purchaser acknowledges and agrees that in the event the Dwelling being purchased herein is a semi-detached or townhouse dwelling unit, the lot or block upon which such dwelling unit is constructed will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of such lot or block without any abatement of the Purchase Price or claim for compensation whatsoever.
- (g) Subdivision esthetic enhancements such as boulevard treatments, landscaping (including tree planting), entrance features, or corner lot fencing, or fences or retaining walls may be erected/placed/installed within the Subdivision in accordance with municipally approved plans. Such subdivision esthetic enhancements may not necessarily apply to/benefit all dwellings within the Subdivision. The erection/placement/installation and/or spacing of subdivision esthetic enhancements such as municipal trees and/or privacy fencing may be sporadic in accordance with municipally approved plans and the overall design objectives of the Municipality/Subdivider. Purchasers who do not receive/benefit from any subdivision esthetic enhancements such as a municipal tree or privacy fencing are not entitled to any refund/abatement of any sums payable to the Vendor hereunder. In the event this Agreement, any schedule hereto or other matter obligates the Vendor to install or provide any of the features set out herein, such matters will be provided and installed at the times determined by the Vendor and shall not comprise outstanding deficiencies or matters with respect to the completion of the Dwelling, and the Purchaser specifically acknowledges, covenants and agrees that any such features shall be installed at the times determined by the Vendor in its sole, absolute, subjective and unfettered discretion.

3. CONSTRUCTION

- (a) The Vendor will construct (if not already constructed) and complete upon the Property a dwelling (the "**Dwelling**") of the type hereinbefore indicated in accordance with the plans of the Vendor therefore and filed or to be filed with the Municipality in order to obtain a building permit and the specifications set out in **Schedule "F"** annexed hereto. The Dwelling shall be deemed to be completed for the purposes of Closing when the requirements of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale have been met and the Purchaser agrees in such case to close this transaction, without holdback of any part of the Purchase Price, on the Vendor's undertaking given pursuant to section headed "COMPLETION AND ONTARIO NEW HOME WARRANTIES INSPECTION" hereof to complete the Dwelling, and the Purchaser hereby agrees to accept the Vendor's covenant of indemnity regarding lien claims which are the responsibility of the Vendor, its trades and/or suppliers, in full satisfaction of the Purchaser's rights under the Construction Act, and will not claim any lien holdback on Closing. If by reason of "Unavoidable Delay" as defined in or as otherwise permitted by the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale the Vendor is required to extend the Closing, the Vendor shall be entitled to extend the Closing provided the Vendor complies with the provisions of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale in respect of such extensions. The Dwelling shall be deemed to be completed when all interior work has been substantially completed as determined by the Vendor and provided that the provisions of paragraph 9 of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale attached hereto have been complied with. The Purchaser agrees to complete this transaction notwithstanding any claims submitted to the Vendor and/or Tarion or otherwise in respect of apparent deficiencies or incomplete work.
- (b) Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser. The Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal or better, and also to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality.
- (c) The Purchaser acknowledges and agrees that architectural control of external elevations, driveway construction, boulevard tree planting, landscaping, acoustical barriers, corner lot fencing (including the location of such acoustical barriers and corner lot fencing), exterior colour schemes, corner lot and rear lot treatments, or any other matter external to the Dwelling designed to enhance the aesthetics of the community as a whole, may be imposed by the Municipality and/or the Subdivider. In the event the Vendor is required, in compliance with such architectural control requirements, to construct an external elevation for this Dwelling other than as specified in this Agreement, or amend the driveway construction, boulevard tree planting or landscaping plan for this Dwelling (all of which is hereinafter referred to as the "**Amended Elevation**"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling herein including the required Amended Elevation, and the Purchaser hereby irrevocably agrees to accept such Amended Elevation in lieu of the elevation specified in this Agreement. The Vendor shall have the right, in its sole, absolute, subjective and unfettered discretion, to construct the hereinbefore described Dwelling either as shown on the sales brochures, renderings and other plans and specifications approved by the Municipality or any other authority having jurisdiction over same, or, to construct such

Dwelling on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout. Construction of a reverse mirror image Dwelling plan is hereby irrevocably accepted by the Purchaser without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations as to construction of the Dwelling type hereinbefore described. Further, in the event the Vendor constructs the Dwelling at a grade level different than as depicted in the plans or drawings attached hereto, sales brochures, renderings or any other plans and specifications whether or not approved by the Municipality or any other authority having jurisdiction over same, necessitating a step, landing or series of steps to the front door, side door, rear door, any door from any garage that is connected to the Dwelling and leading to the interior of the Dwelling (notwithstanding that such step, landing or series of steps may encroach into the garage parking area and/or affect the interior floor area of the Dwelling adjacent to such step, landing or series of steps), or to relocate and/or remove any side door, rear door or door from the garage that is connected to the Dwelling and leading to the interior of the Dwelling, the Purchaser hereby irrevocably agrees to accept such changes without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation as to construction of the Dwelling type hereinbefore described.

- (d) The Purchaser hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling with a walk-out basement, look-out or rear deck where so indicated in this Agreement, or vice versa. In the event this Agreement calls for a walk-out basement, look-out or rear deck and such is not possible or reasonable in the Vendor's opinion or in the event this Agreement does not call for a walk-out basement, look-out or rear deck and such is required, pursuant to final approved grading and engineering plans, the Purchaser shall accept a credit in the Purchase Price, or, pay the additional cost involved in constructing such walk-out basement, look-out or rear deck, as the case may be (such costs shall be absolutely determined by the Vendor).
- (e) The Purchaser acknowledges that certain lots within the Subdivision may, at the Vendor's sole, absolute, subjective and unfettered discretion, contain catch basins and associated leads, swales, drainage systems, weeping pipe/sump pump systems, retaining walls, fencing, landscaping, feature walls or community features or other features, infrastructure or services, and the Purchaser covenants and agrees that in the event the Property contains any of the foregoing items, the Purchaser shall maintain all such items in proper working condition after Closing. Additionally the Purchaser is advised that community mailboxes, electricity transformers, gas mains, water mains, street light poles, wayfinding signage, fire hydrants, street furniture, telephone service equipment, cable television service equipment, data service provider equipment, catch basins and associated leads, drainage systems, weeping pipe/sump pump systems, retaining walls, fencing, landscaping and other project enhancement features, and all equipment and utility infrastructure of any of the foregoing utility services and any other equipment and utility services providing service to the project, which services or utility infrastructure may include above-grade equipment and any safety equipment relating to same such as concrete bollards, may front onto, flank or be visible from the Property or be located within certain lots (including the Property) within the Subdivision. The Purchaser agrees to accept the Property subject to any of the foregoing and the Purchaser shall not be entitled to any abatement or reduction in the Purchase Price whatsoever as a consequence of the foregoing nor shall the Purchaser have any claim or cause of action whatsoever against the Vendor or its sales representatives (whether based or founded in contract, tort or in equity) with regards to/pertaining to/arising from the foregoing.
- (f) In the event the Purchaser completes this transaction and occupies the Dwelling at a time prior to the Vendor completing all of its work or construction within the Subdivision, the Purchaser covenants and agrees to permit the Vendor and its agents and subtrades to enter upon the Property for the purposes of completing work on the Property, an adjoining property or other properties in the Subdivision and the Purchaser shall not interfere with any work or construction being so performed by the Vendor, the Subdivider and their agents and subtrades. The Purchaser agrees that this covenant may be pleaded by the Vendor as an estoppel to any action or opposition by the Purchaser.
- (g) The Purchaser covenants and agrees that the Purchaser shall pay to the Vendor for all extras, upgrades or changes ordered by the Purchaser in accordance with the terms of any documents/agreements pertaining to the purchase of said extras, upgrades or changes and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that this transaction is not completed as a result of any default hereunder of the Purchaser. Notwithstanding anything herein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor shall, in its sole, absolute, subjective and unfettered discretion, determine that it will not provide extras, upgrades or changes or cannot complete the extras, upgrades or changes then there shall be refunded or credited to the Purchaser that portion of the amount paid by the Purchaser

in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, in the Vendor's discretion, the Purchaser received credit in the Statement of Adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to aforesaid and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made or credit being given, the Vendor shall be released from any and all obligation, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes. In the event the Purchaser neglects to advise the Vendor forthwith upon request as to the Purchaser's selection of finishing specifications, or orders any extras, upgrades in interior finishings, or performs any work in or about the Dwelling which causes delay in the Vendor's construction operations, the Vendor may require the Purchaser to complete this transaction on the Closing herein set out without holdback of any part of the Purchase Price, on the Vendor's undertaking to complete any of the Vendor's outstanding work.

- (h) The Vendor is not responsible for shade difference occurring in the manufacture of items such as, but not limited to, finishing materials or products such as carpet, floor tiles, roof shingles, brick, cement board, aluminum or vinyl siding, bath tubs, water closets, sinks, stone, stucco and other such products where the product manufacturer establishes the standard for such finishes. The Vendor is also not responsible for colour variations or variations in material characteristics or features such as veining, grain or grain direction, knotting etc. in natural products or the finishes on natural products such as but not limited to marble, granite, hardwood flooring, kitchen cabinets, wood stair railings, spindles, trim, nosings, thresholds as well as stains or finishes applied to any of the aforesaid which colours may vary when finishes are applied to them. Nor shall the Vendor be responsible for shade difference in colour of components manufactured from different materials but which components are designed to be assembled into either one product or installed in conjunction with another product such as but not limited to toilet seats, toilets, bathtubs, cabinet finishes and paint and in these circumstances the product as manufactured shall be accepted by the Purchaser. Purchaser acknowledges and agrees that (i) carpeting may be seamed in certain circumstances and said seams may be visible; (ii) hardwood, laminate or other flooring materials may react to normal fluctuating humidity levels contributing to shrinkage and gapping or expansion and cupping, and (iii) there may be different levels of flooring which may require transition strips, nosings or thresholds, and the Purchaser agrees that in any of the forgoing eventualities are considered to be acceptable by industry standards and the Purchaser shall make no claim whatsoever against the Vendor in the event of same.
- (i) All dimensions, specifications and elevation renderings on sales brochures and other sales aides are artists' concepts only and are approximate and subject to modification without prior notice at the sole, absolute, subjective and unfettered discretion of the Vendor in compliance with the Ontario Building Code. The designation of door swings, including entrance doors and doors from any garage connected to the Dwelling and leading to the interior of the Dwelling, if any, in any schedules attached hereto or sales brochures and other sales aides are conceptual only and are subject to modification without prior notice at the sole, absolute, subjective and unfettered discretion of the Vendor. The Purchaser acknowledges and agrees that attic hatches or access points may be located within any location determined by the Vendor in its sole, absolute, subjective and unfettered discretion, including without limitation, within any hallway, room, closet or interior wall. The location of mechanical installations may not be as shown (or not shown, as the case may be) on sales documentation and will be located in accordance with approved plans and/or good construction practice and may result in room size or garage size reduction caused by the mechanicals being installed. The Purchaser acknowledges being advised by the Vendor that the Vendor has experienced a high rate of theft of air-conditioning units when they are installed prior to the Closing. Accordingly, the Purchaser acknowledges that if the Agreement herein calls for the Vendor to install an air-conditioning unit, the Vendor has the right to install that unit, in accordance with the Agreement, within 7 days after the Closing, weather permitting. The Purchaser shall not be entitled to any holdback on account of the Purchase Price notwithstanding that the air-conditioning unit is not installed at the Closing. Notwithstanding the foregoing, in the event that the Purchaser requires the air-conditioning unit to be installed prior to the Closing, the Purchaser shall make written request therefor, such request to be received not later than 30 days prior to the Closing by way of separate written request addressed to the Vendor's solicitor and the Purchaser acknowledges that the Purchaser shall assume all liability for the air-conditioning unit in the event that it is stolen after its installation prior to the Closing and the Vendor shall not be obliged to replace same nor shall there be any adjustment in the Purchase Price with respect thereto.

- (j) In the case of the purchase of a townhome by the Purchaser (if applicable) the Purchaser acknowledges that: the concept plans displayed in the sales office and/or in promotional brochures or media (including any websites), do not necessarily represent any specific block to be built by the Vendor; the Vendor has not artistically rendered all block scenarios and combinations of model types available; final block plans will feature similar but not necessarily identical architectural details; variances from block to block will reflect, amongst other things, the number of units in respective blocks, final siting combinations of actual model types within respective blocks, roof designs that evolve in conjunction with the combination of various model types constituting specific blocks, unit stepping due to grading within respective blocks and the location of required partywalls and firewalls (if applicable) per respective block plan.
- (k) Where any portion of any fence is within 3 metres of the Property line, such fence shall be deemed not to be an encroachment at that point and the Purchaser agrees to accept title to the Property and to complete the sale contemplated herein, without abatement of the Purchase Price. Despite anything hereinbefore set out, the whole of any fence erected by any governmental authority, utility or railway or pursuant to any Subdivision, Site Plan or Development Agreement shall be deemed to be a permitted encroachment and the Purchaser agrees to maintain all such fencing to the satisfaction of the appropriate authority.
- (l) Where a dwelling type has a sunken foyer, landing or hallway leading to a front porch (at the front door entry), the ceiling area below the porch slab and other relevant areas will be reduced and this height may vary up or down, caused by the number of risers from the main floor to the dropped landing, as per applicable plan. Notwithstanding that the sales aids, such as brochure plans or sketches may refer to these areas as cold rooms, storage areas, cantinas or fruit cellars, they shall be treated and referred to as crawl space, notwithstanding that the Purchaser may be desirous of using this space for other purposes. The Purchaser hereby acknowledges these facts and accepts the Dwelling as built and will make no claims whatsoever relevant thereto. Furthermore, any reference to ceiling heights in this Agreement, the schedules attached hereto or in sales material, if any, shall mean the approximate height and such heights will be reduced by sound attenuation features, finishes of floors and ceilings and installations such as bulkheads, etc.. Ceiling and walls may be modified to accommodate mechanical systems.
- (m) The Purchaser acknowledges and agrees that drainage holes may be required, as determined and where required by the Vendor, on all or any of the exterior finishing and/or cladding of the Dwelling.
- (n) The Purchaser covenants and agrees that the Purchaser will exhaust all the remedies available to him with Tarion with respect to any claim relating to defects in workmanship or materials or with respect to any other claim arising under the Warranty Act or in respect of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale annexed hereto, prior to pursuing any other means of redress with regard to such claims. In the event the Purchaser does not comply with the provisions of this subsection, or takes any unwarranted or unreasonable actions with respect to such claims, the Purchaser shall be held liable for any damages or costs (legal or otherwise) sustained by the Vendor as a result thereof.
- (o) The Purchaser covenants and agrees to pay to the Vendor all amounts to correct and remedy all damage caused by the Purchaser or those for whom he is in law responsible to any services installed within the Subdivision, which service shall, without limitation, include survey stakes, landscaping, trees, curbs, curb cuts, streets, roads, sidewalks, street signs, street lighting, sanitary and storm sewers and any underground services installed by or on behalf of any public or private utilities. If the Vendor pays for such amounts at first instance, the amounts so paid by the Vendor shall form and constitute a Vendor's Lien or Charge against the Property.
- (p) The Purchaser acknowledges and agrees that the Vendor may insert or add any items, including without limitation, windows, columns, conduits, beams, posts and/or bulkheads within the Dwelling and/or remove, change, delete, vary, alter or modify the number, size and location of any of the foregoing items from the number, size and/or location of same as displayed or illustrated in the sketch of the Dwelling attached hereto as **Schedule "F"** or any promotional material or information which may include, without limitation, sales brochure(s), model(s), rendering(s), vignette(s) and/or floor plan(s) previously delivered or shown to the Purchaser or to the public (regardless of the extent or impact thereof).
- (q) The Purchaser covenants and agrees that the Purchaser is a "home buyer" within the meaning of the *Construction Act* of Ontario, as may be amended, and the Purchaser shall not be entitled to request or demand that any holdback for construction liens be maintained for any portion of Purchase Price on the Closing Date.
- (r) Note: Actual usable floor space may vary from the stated floor area.

- (s) The Purchaser shall place his own insurance on the Property for Closing.

4. RENTAL EQUIPMENT

Unless expressly provided in this Agreement and any other equipment or included in any schedule attached hereto as rental equipment (the "Equipment") for the Dwelling, if any, is not included in the Purchase Price and shall remain chattel property. The Purchaser acknowledges that (i) the Equipment may be non-owned (ii) the terms governing the lease/rental for the Equipment will be provided by the Vendor prior to closing and the Purchaser may be required to execute a lease/rental document containing the terms prior to closing; and (iii) the terms of the lease/rental may contain a buy-out option allowing the Purchaser to purchase the Equipment if desired. If any provider of the Equipment no longer rents the Equipment and if arrangements are not made with another supplier for the installation of the Equipment on a rental basis, then notwithstanding anything to the contrary in this Agreement, the Purchaser shall pay, as an adjustment on closing, the cost of the Equipment, such cost to be determined by the Vendor.

5. COMPLETION AND ONTARIO NEW HOME WARRANTIES INSPECTION

- (a) The Purchaser or its designate shall inspect the Dwelling (such inspection hereinafter referred to as the "PDI") immediately prior to the Closing Date with a representative of the Vendor at a time appointed by the Vendor and the parties shall indicate on the face of the Warranty Act's Certificate of Completion and Possession and Warranty Certificate (the "Certificate"), the approval of the Purchaser, which shall be subject only to the completion of seasonal work, and any items of a similar nature uncompleted, and listed thereon, and save as to such list the Purchaser shall be conclusively deemed to have accepted the Dwelling as complete in accordance with this Agreement. The Purchaser covenants and agrees that on or before the PDI, the Purchaser has accessed the online Learning Hub and reviewed the relevant materials, including any modules, brochures and/or other materials, on the Tarion Warranty Corporation ("**Tarion**") website. The Vendor will complete all matters set out in the said Certificate as soon as reasonably practicable. Further, the Vendor agrees to rectify any defects in materials or workmanship covered by the Warranty Act's warranty issued to the Purchaser as soon as reasonably practicable after the same will have been called to the Vendor's attention by notice in writing and in accordance with the guidelines of Tarion. The Purchaser shall provide the Vendor with written notice, at least 5 days prior to the date appointed by the Vendor for the PDI, irrevocably appointing the Purchaser's designate, if any.
- (b) The completion of the foregoing inspection and the preparation and endorsement of the Certificate are conditions of the Vendor's obligation to complete this transaction. Failure by the Purchaser to attend at the appointed time for the inspection and to complete the Certificate shall be deemed to be a default by the Purchaser under this Agreement. The Vendor, at its sole, absolute, subjective and unfettered option, may thereupon either re-schedule the inspection subject to an administrative fee of \$250.00 plus Applicable Taxes payable to the Vendor or terminate the transaction in accordance with the provisions set out herein, or may elect to complete the Certificate on behalf of the Purchaser. The Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as the Purchaser's lawful attorney in the Purchaser's name, place and stead for this purpose.
- (c) The Purchaser agrees to forthwith upon request do all acts and execute and deliver all documents, both before and after Closing, as may be required by the Vendor or the relevant municipality (the "**Municipality**") in connection with the acceptance of the subdivision as a whole by the Municipality.
- (d) Keys will be released to the Purchaser at the construction site, the Vendor's sales office, the head office of the Vendor or at any other location determined by the Vendor, as the Vendor in its absolute discretion determines, unless otherwise specifically agreed in writing between the Vendor and the Purchaser. The Purchaser agrees that the Vendor's advice that keys are available for release to the Purchaser constitutes a valid tender of keys on the Purchaser. Upon completion of this transaction, if the Purchaser fails to attend to pick up the keys by five o'clock (5:00) p.m. on that day, the Vendor may retain the keys and release same to the Purchaser on the next business day (in this Agreement the term "business day" or "business days" shall mean Monday to Friday, excluding statutory holidays in the Province of Ontario).

6. CONVEYANCE

From and after the date of possession of the Property by the Purchaser, the Purchaser shall be responsible for realty taxes, water, electricity, gas and other public or private utilities and payment to the Vendor of interest on the unpaid Purchase Price at the same rate of interest that the Purchaser is being charged by the Purchaser's lender as confirmed by the Purchaser providing to the Vendor's solicitor a copy of the Purchaser's mortgage commitment.

7. **TITLE**

- (a) Provided the title is good and free from all encumbrances except as herein provided, and except as to building and other restrictions, and to any easement or right-of-way granted or to be granted for installation and/or maintenance of services, telecommunication, cable television systems, and all related or appurtenant equipment, mutual driveways, and for maintenance and repair of adjoining dwellings, if applicable. Furthermore, title to the Property may be subject to encroachments by portions of the buildings located on abutting lands, including eaves, eavestroughing, downpipes, or other attachments to the roofs, footings, drainage pipes, utility meters and other projections of the buildings, and the Purchaser further acknowledges that portions of the Dwelling may encroach onto abutting lands where the right to do so exists. The Purchaser accepts legal access to the subject Property even though it may be restricted by 0.3 metre reserves owned by the Municipality and not yet dedicated as public highway. The Purchaser is not to call for the production of any title deeds, abstract or other evidence of title except as are in the possession of the Vendor. The Purchaser is to be allowed 60 days prior to the Closing, to examine the title at the Purchaser's own expense and if, within that time, any valid objection to title is made in writing to the Vendor which the Vendor shall be unable or unwilling to remove and which the Purchaser will not waive this Agreement shall, notwithstanding any intermediate act or negotiations be void and the deposit monies shall be returned, with interest, and the Vendor and the Broker shall not be liable for any damages or costs whatsoever. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Property. The Purchaser acknowledges and agrees that the Vendor shall be entitled to respond to some or all of the requisitions submitted by the Purchaser through the use of a standard title memorandum or title advice statement prepared by the Vendor's solicitors and that the same shall constitute satisfactory manner of responding to the Purchaser's requisitions. Further, the Purchaser agrees that in the event that any valid requisition is not sufficiently answered by the Vendor, then the requisition shall be deemed sufficiently answered if a title insurance policy, available for issuance to the Purchaser by any company which issues title insurance policies in Ontario, would insure over the title matter which is being requisitioned.
- (b) The Purchaser agrees to accept the Property subject to Municipal regulations and restrictions now or hereafter affecting the ownership or use of the Property and the Purchaser shall observe and comply with the said regulations and restrictions and with the terms and obligations imposed by the Subdivision Agreement. The Purchaser agrees to accept title to the Property subject to any easements or licences for the installation of the maintenance of public or other utilities including, without limitation, telephone, electricity, gas, sewer, sump pumps, water and cable television, as well as any rights or easements reserved by the Vendor and/or granted in favour of other lands for maintenance purposes, drainage and roof overhangs, downpipes, footings, drainage pipes, sump pumps, utility meters and other projections of the Dwelling, if necessary on or about the Property. The Purchaser shall also accept title to the Property subject to any rights of entry in favour of the Subdivider, the Vendor, the Municipality or any other utility/service provider or public or private governmental authority. The Purchaser shall execute any easements required for the said purposes upon being requested by the Vendor both before or after Closing. The Purchaser acknowledges that the Deed or Transfer of the Property may reserve such rights and easements. In the event the Municipality or any other governmental authority or the Vendor requires the granting of maintenance and/or private drainage easements which have not been created on or before Closing, the Purchaser shall execute and deliver to the Vendor on Closing an Acknowledgement and Direction authorizing and directing the Vendor to register after Closing any such easements on behalf of the Purchaser. The Purchaser agrees to accept title to the Property subject to any easements, rights of way, licenses, agreements with the local municipality, regional or county municipality or other tier of municipal government having jurisdiction with respect to future services to be installed, or any other purpose.
- (c) In the event the Property abuts land owned by any government, utility, or railway such authority may require fences, entrance gates or other structures to be located within the Property line and the Purchaser agrees to accept same and agrees to maintain same, if required by such authority.
- (d) The Purchaser acknowledges that title may be conveyed directly from the Subdivider of the lands, and not the Vendor, and the Purchaser hereby releases the Subdivider from all obligation, liability and responsibility whatsoever arising out of or associated with the construction of the Dwelling and installation of all other improvements within the lot boundaries, and the Purchaser agrees to execute and deliver on Closing a separate acknowledgment and release in favour of the Subdivider to this effect.
- (e) In the event any mortgages are outstanding on Closing the discharge of which is the Vendor's obligation, the Purchaser agrees to accept the Vendor's solicitor's undertaking to

obtain and register the discharge of the same within a reasonable period of time after Closing in full satisfaction of the Vendor's obligation in that regard.

- (f) If, on or after registration of the Plan of Subdivision, the lot number or municipal address of the Property is changed, the Purchaser agrees to accept such variation in lot number and municipal address and this Agreement shall be read with all amendments required thereby.
- (g) The Purchaser agrees to accept title to the Property subject to any Certificates of Property Use, Notice of Requirement or other notices or directives of any governmental authority, including, without limitation the Ministry of the Environment, provided that the Vendor or the Property, as the case may be, is in compliance thereof.
- (h) The Purchaser agrees to accept title to the Property subject to any limiting distance agreement with the owner of any neighbouring properties and any municipal authorities.
- (i) The Purchaser covenants and agrees that it shall not, and that it is not permitted, to: (i) direct title or the right of occupancy to any other parties; (ii) add any additional parties to title or the right of occupancy; or (iii) direct or re-direct title to only some of the parties which comprise the Purchaser. The sole purpose of any title direction contemplated herein or in any closing documents shall be for the purposes of confirming the full name(s), date(s) of birth, address for service, social insurance number(s) and such other information as the Vendor may require.
- (j) The Purchaser shall provide the name, address, telephone number and email address of its solicitor to the Vendor not later than the 30th day following the execution of this Agreement. Failure to provide same shall constitute a default pursuant to the terms of this Agreement. If the Purchaser does not provide such information when required hereunder, changes solicitors, or the Purchaser or its solicitor (i) fail to provide any required information; (ii) change or amend any of the information provided, including title information required for engrossing the transfer to the Property as required by the preceding paragraph or in respect of the Rebate; or (iii) provide information to the Vendor or its solicitors that is incorrect or amended for any reason, the Purchaser shall be charged a fee as determined by the Vendor plus Applicable Taxes on the Statement of Adjustments.
- (k) The Purchaser covenants and agrees to provide through its solicitor to the Vendor's solicitor, at least 60 days prior to the Closing Date, all information required by the Vendor with respect to or evidencing the Purchaser's entitlement to the Rebate (as defined herein). Such information shall include, without limitation, (i) confirmation of which of the parties comprising the Purchaser will be occupying the Property if there is more than 1 party comprising the Purchaser; (ii) if there is more than 1 party comprising the Purchaser, the relationship between the parties; (iii) whether any other person(s) will be occupying the Property together with the Purchaser, including their name(s) and date(s) of birth; and (iv) if the person(s) occupying the Property together with the Purchaser are not the spouse or child of the Purchaser, and the Vendor consents to same, copies of valid identification for such persons (such as a driver's license or passport) acceptable to the Vendor in its sole, absolute, subjective and unfettered discretion. If the Purchaser does not provide the foregoing information at least 60 days prior to the Closing Date, or if the Purchaser provides information upon which the Vendor determines that it will not permit the Purchaser to claim and assign the Rebate to the Vendor as part of this transaction, then the Vendor shall prepare all adjustments and closing documents on the basis that the Purchaser will not be claiming and assigning the Rebate to the Vendor as part of this transaction and the amount of the Rebate shall be added to the statement of adjustments and paid by the Purchaser on the Closing Date in addition to the Purchase Price. The Purchaser acknowledges, covenants and agrees that no changes to the information required to be provided herein shall be permitted following the day that is 60 days prior to the Closing Date. In addition, once the Purchaser has provided the information required to be provided herein and there are any changes to same, such changes to the information shall entitle the Vendor to elect not to permit the Purchaser to claim and assign the Rebate to the Vendor as part of this transaction. If the Purchaser is prohibited from claiming the Rebate and assigning same to the Vendor as part of this transaction or does not do so for any other reason, or the determination of the Vendor in its sole, absolute, subjective and unfettered discretion is that the Purchaser is not entitled to claim the Rebate, then the Purchaser shall retain the option of pursuing the Rebate or any other similar or related rebates directly from the Canada Revenue Agency following the Closing Date.
- (l) In the event that the Vendor or Subdivider is not the registered owner of the Property, the Purchaser agrees to accept a conveyance of title from the registered owner in lieu of the Vendor's or Subdivider's.

8. SUBDIVISION AGREEMENT REQUIREMENTS

- (a) The Purchaser acknowledges and agrees that title may on Closing be subject to one or

more subdivision or other development agreements and that the Subdivider has agreed at its own expense to construct, install and pay for roads, sanitary sewers, water mains and all other services in accordance with the requirements of the Municipality, which the Vendor herein is not responsible to construct, install or pay for. The Purchaser agrees that the Vendor shall not be obligated on Closing or thereafter to obtain releases of such subdivision or other development agreements provided that the same have been complied with as of the Closing and the Purchaser shall satisfy himself as to compliance.

- (b) The Purchaser acknowledges receipt of notice from the Vendor that the Vendor and or the Subdivider may apply for official plan amendment(s), rezoning application(s), severance application(s), minor variance application(s) and/or site plan application(s), or any other applications ancillary thereto relating to blocks or lots not purchased hereunder as laid down by the Plan of Subdivision or with regard to the lands adjacent to or near the lands laid down by the Plan of Subdivision, and the Purchaser, the Purchaser's successors and assigns, shall consent to any such application and agrees that this paragraph may be pleaded as a bar to any objection by the Purchaser to such re-zoning. The Purchaser covenants to include this clause in any conveyance, mortgage or disposition of the Property and to assign the benefit of such covenant to the Vendor.
- (c) The Purchaser agrees that the relevant governing authorities and/or the Subdivision Agreement may require the Vendor to provide the Purchaser with certain notices ("**Notices**"), including, without limitation, notices regarding land usage, landscaping, maintenance of fencing, school transportation, noise and vibration warning resulting from existing or proposed highways and public transportation systems or corridors, railways, garbage, buffers, school pick-up, transit routes, bus-stops and/or shelter locations, in some instances the absence of door-to-door mail delivery, the location of "super mailboxes", and in general, any other matter that may be deemed by the Municipality to inhibit the enjoyment by the Purchaser of this Property. Such Notices, when available, may be delivered to the Purchaser in accordance with the notice provisions herein and delivery in accordance with any methods described in said notice provisions shall be deemed to constitute appropriate notification of the Purchaser. The Purchaser agrees to be bound by the contents of any such Notices and covenants to execute forthwith upon request, an acknowledgment containing such Notices if and when requested to do so by the Vendor. In the event the Subdivision Agreement or other development, site plan or similar agreement is not registered as of the date of acceptance of this Agreement, and therefore the Notices are not yet available, or if after they are available, they are amended by the Municipality, or are inadvertently omitted or misquoted by the Vendor and if the Municipality requires the Purchaser to receive a copy of the Notices, then a copy of the Notices as revised as necessary, shall be mailed or emailed to the Purchaser's address as provided for in this Agreement or to the Purchaser's solicitor and such mailing or emailing shall be deemed to constitute appropriate notification. Without limiting the generality of the foregoing, to the extent that any Notices are provided to the Purchaser by the Vendor after this Agreement has been made, such Notices shall be deemed to have been included in this Agreement at the time that this Agreement has been made. The Purchaser acknowledges and agrees that any Notices and warning clauses may be registered on title to the Property, at the sole, absolute, subjective and unfettered discretion of the Vendor. Purchasers/tenants are advised that despite the inclusion of noise control features in this development area and within dwellings, noise levels from increasing road traffic from nearby roadways may be of concern occasionally interfering with some activities of the dwelling occupants.

9. **AFTER CLOSING**

- (a) In the event that after taking possession of the Dwelling, the Purchaser shall complete and/or install any additions and/or improvements such as, but not limited to, porches, patios, plantings, paved driveways, pools or hot tubs, curbs or fences which are located within 6 feet of an external wall or within any area which interfere with the Vendor or Subdivider installing any required services, the Purchaser will remove such addition and/or improvements within 5 business days of written request from the Vendor and prior to the Vendor taking any corrective actions which it is required to take.
- (b) In the event that after taking possession of the Dwelling, the Purchaser shall complete and/or install any improvements, additions or alterations thereto, including, but not limited to, finishing basement, wallpapering, cabinetry and/or mouldings and/or finishings, porch tiles or finishes, pools or hot tubs the Purchaser shall be required to remove such improvements, additions or alterations at the Purchaser's own expense, in the event that the Vendor shall be required to carry out any repairs or replacements to the Dwelling in the area of such improvements, additions or alterations.
- (c) The Purchaser acknowledges that grading and sodding and landscape plantings (if any) shall be done between June and October (weather permitting and subject to availability of supplies) of any year as per the Vendor's scheduling program. The Purchaser agrees that the Purchaser shall be solely responsible for watering and general maintenance of sod and

landscape plantings (if any) from the Closing Date or from the date that sod is laid (or landscape plantings are planted), whichever shall be the later, and the Vendor shall have no obligation in that regard. In the event the Vendor is, for any reason, required to replace laid sod (or other landscape plantings, if any), the Vendor shall not be obligated to do so until payment has been made therefor by the Purchaser and if so replaced, the Purchaser agrees to reimburse the Vendor for the costs and expenses of same as determined by the Vendor, which costs and expenses may be deducted from the Security Deposit at the Vendor's sole, absolute, subjective and unfettered discretion. Further, the Purchaser acknowledges that the order of closing of the Property and/or the order of completion or closing of other lots sold by the Vendor is not indicative of the order of sodding (or landscaping planting) of the Property and said other lots. If the Vendor is required by the Subdivider, developer or any governmental authority to replace any laid sod or landscape plantings, etc. as a result of the Purchaser's default under this subsection, the Purchaser shall promptly pay the Vendor for same and the Vendor shall not be obliged to replace same until payment has been made therefore in full to the Vendor by the Purchaser. The Vendor shall not be required to supply the Purchaser with evidence of payment for the replacement of same. The aforementioned obligations of the Purchaser shall survive the closing of the herein transaction.

- (d) The Purchaser covenants to occupy the Dwelling forthwith after Closing. The Purchaser agrees not to finish the whole or any part of the basement of the Dwelling for a period of 24 months after the Closing or such longer period which is equivalent to the warranty period under the Warranty Act for basement repairs. The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage to basement improvements and chattels stored in basement resulting from water seepage or leakage, including any consequential damages arising therefrom.
- (e) The Purchaser acknowledges that the Vendor has a master key for the subdivision and in the event that the Purchaser wishes to change any locks, he may do so, at the Purchaser's own expense, any time after Closing.
- (f) If settlement occurs due to soil disturbances around the Dwelling, the walkways, driveways and sodded areas, all minor settlements shall be the responsibility of the Purchaser, and the Vendor will rectify any major settlement once only, and such work, unless of an emergency nature, will be completed when reasonably feasible and according to the Vendor's work program and availability of materials and tradesmen's services. The Vendor is not responsible for any damage to the Dwelling which the Vendor considers of a minor nature by reason of such settlement.
- (g) No request by the Purchaser for homeowner service will be processed by the Vendor unless such request is in writing through Tarion's submission requirements, other than emergency service, such as no heat, water or electricity. - (e) In the event that the Purchaser has installed or has requested the Vendor to install a different floor covering than that which the Vendor would normally install in the dwelling, then the Purchaser agrees that if any defects should come to light for which the Vendor is normally responsible and repairs to which require the removal of the said floor covering, the Vendor will not be responsible to effect such repairs. For purposes of this Agreement "floor covering" shall mean any type of finished floor covering which is normally placed on the sub-floor and without limiting the generality of the foregoing, shall include tile, hardwood, marble, and carpet.

The Purchaser further acknowledges and agrees that any changes to any of the original colour and material selections shall be subject to the express written approval of the Vendor, which approval may be refused in the Vendor's sole, absolute, subjective and unfettered discretion. Any such changes shall also be subject to a \$1,500.00 administration fee, plus Applicable Taxes, payable by the Purchaser upon demand by the Vendor.
- (i) The Purchaser further agrees that in the event that the Vendor has preselected colours and materials prior to the purchase herein of the Property, said colours and materials shall be final notwithstanding that the Purchaser may have completed a colour selection/chart.
- (j) In the event that any of the terms and conditions stated on a contract, addendum or schedule requesting upgrades or extras (the "Purchaser's Extras Contract") are in conflict

or contradiction of any terms or conditions stated in this Agreement, it is hereby agreed that the terms and conditions stated on the Purchaser's Extras Contract shall take precedence over the terms and conditions of this Agreement provided such provisions do not conflict with the provisions of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale annexed hereto, in which case the provisions of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale annexed hereto shall be read to form part of the Purchaser's Extras Contract in the place and stead of the conflicting or contradictory provisions thereof. without limiting the foregoing, the Vendor and Purchaser agree that the provisions of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale annexed hereto shall prevail over any provision contained in this agreement, in any amendment to this agreement or in any other document between the Vendor and Purchaser in relation hereto that derogates from, conflicts with or is inconsistent with the provisions of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale annexed hereto.

14. MODEL HOMES

- (a) The Purchaser acknowledges that the Purchaser has purchased the Dwelling on the basis of plans appended to this Agreement and not from a model, vignette or sales office samples. The Purchaser acknowledges that the model homes, if any, may have items installed for decor purposes, such as, but not limited to, upgraded flooring materials, ceramic tile, hardwood, carpet, paint, kitchen cabinets, countertops, lighting and fixtures, driveways, walkways, railings and pickets, skylights, entry doors, interior doors, paneling, wallpaper, window treatment, drapes, curtains, plumbing supplies, intercom systems, alarm systems, appliances, landscaping, underground sprinkler systems, underground lighting, decks and finished basements. - (b) Notwithstanding anything herein written, if at the time that this Agreement is executed, the dwelling constructed on the Property has already been substantially completed, the Purchaser shall purchase the Property in an "as built" condition rather than in accordance with any other representations herein contained.
- (c) Furthermore, in the event that the Dwelling has been used as a model or show home, the Purchaser acknowledges that the subject premises has been used extensively as a "Model" of "Show" home, and as such, has been subjected to the normal wear and tear associated with that purpose. Unless otherwise specifically agreed in writing, no refinishing shall be done by the Vendor on the subject premises and the Purchaser agrees to accept the dwelling on closing on an "as-is" basis. For the purposes of clarity only, and without restricting the generality of the foregoing, the Purchaser hereby waives any claim in respect of scratched floors, counters or plumbing fixtures; or, sun-faded paint and stain colours.

15. HST CLAUSE

The Purchaser and Vendor agree that the harmonized sales tax (the "HST") applies to this transaction and the Purchase Price includes the HST, net of the federal and Ontario new housing rebates or the like (collectively the "Rebate"). The Purchaser shall assign in a form required by the Vendor and/or by any of the Government of Canada, Government of Ontario and/or any other governmental and/or tax authority (collectively, the "Government") to the Vendor (or to such other party as the Vendor may otherwise require or direct) all of the Purchaser's right, title and interest in the Rebate to which the Purchaser is entitled. In connection with such assignment, the Purchaser shall deliver to the Vendor (or to such other party as the Vendor may otherwise require or direct), forthwith upon request by the Vendor, prior to, on or after the Closing Date, such application, documents and affidavits as may be required by the Vendor and/or the Government to establish the Purchaser's entitlement to the Rebate. If the Purchaser is not entitled to the Rebate for any reason whatsoever or if the Rebate is reduced or withdrawn by the Government and not replaced with an amount equivalent to the amount of the Rebate to which the Purchaser is entitled by the Government or if the Rebate is not or cannot be assigned to the Vendor (or to such other party as the Vendor may otherwise require or direct) or the Rebate is claimed and payment/credit of the Rebate to the Vendor (or to such other party as the Vendor may otherwise require or direct) is denied by the Government or if, following the Closing Date, the Vendor (or such other party identified by the Vendor) believes that the Purchaser does not qualify for the Rebate for whatever reason, including, without limitation, the Property being offered, listed or advertised for sale, lease or transfer privately or otherwise on a listing service system or on, by or through any other publication or medium, then, the Purchaser shall forthwith upon demand by the Vendor pay to the Vendor (or to such other party as the Vendor may otherwise require or direct) an amount equal to the Rebate or the amount so reduced or withdrawn and until so paid, the amount of the Rebate shall form a charge against the Property which charge shall be recoverable by the Vendor (or by such other party identified by the Vendor) in the same manner as a mortgage in default. If the Vendor (or such other party identified by the Vendor) does not receive the full benefit of the Rebate for any reason whatsoever, whether or not as a result of the Purchaser's acts or omissions, the Purchaser shall indemnify and save the Vendor (or such other party identified by the Vendor) harmless in the amount that the Vendor (or such other party identified by the Vendor) would have been entitled to had such Rebate been received,

together with all interest and penalties thereon, and all losses, costs, damages and liabilities which the Vendor (or such other party identified by the Vendor) may suffer, incur or be charged with in connection therewith, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or to such other party as the Vendor may otherwise require or direct), or as a result of the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor (or to such other party as the Vendor may have otherwise required or directed), which indemnity shall survive the Closing Date. Notwithstanding anything herein contained to the contrary, the Vendor shall have the right to register a Vendor's Lien for the amount of the Rebate against the Property immediately following the Closing Date to secure the Vendor's entitlement (or the entitlement of such other party as may be identified by the Vendor) to the Rebate as herein provided. The Purchaser acknowledges and agrees that the Purchaser shall not be entitled to any refund, credit or abatement in any manner whatsoever should the HST, or any portion thereof, not apply to this transaction for any reason whatsoever. The HST that is included in the Purchase Price is based on the federal portion and the provincial portion of the HST at the rates of 5% and 8%, respectively. If either or both of the rates increase, the Purchaser shall be responsible for the increase and shall pay same as an adjustment on the Closing Date, and if either or both of the rates decrease, the Purchaser shall not be entitled to any abatement or reduction of the Purchase Price. Notwithstanding that the Purchase Price is inclusive of the HST net of the Rebate as aforesaid, the Purchaser, shall, at the Purchaser's own cost and expense, be responsible for the payment of the HST and all other taxes, value added taxes, sales taxes, use taxes or transfer taxes and any increases thereof which may be applicable (collectively the "Applicable Taxes") on all closing adjustments and amounts payable for extras, changes, upgrades, fees and charges.

If the Vendor (or such other party identified by the Vendor) believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's (or such other party identified by the Vendor) belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date, then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque (or such other manner as may be determined by the Vendor in its sole, absolute, subjective and unfettered discretion) delivered on the Closing Date, an amount equivalent to the Rebate, in addition to the Purchase Price. In those circumstances where the Purchaser maintains that the Purchaser is eligible for the Rebate despite the Vendor's (or such other party identified by the Vendor) belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to file the rebate form directly with (and pursue the procurement of the Rebate directly from) the Canada Revenue Agency.

The Purchaser acknowledges and agrees for any matter related to HST that is applicable to this transaction, including without limiting the generality of the foregoing, the Rebate, that the Vendor may designate another person (including any party in which the Vendor is acting as the disclosed or undisclosed agent for when it entered into this Agreement of Purchase and Sale) to be listed as a party to the HST documentation and the Purchaser agrees to execute such HST documentation notwithstanding that a party other than the Vendor may be the recipient, addressee or beneficiary of the Rebate. Where the Vendor determines that such HST documentation is incomplete, incorrect or insufficient for the Rebate to be claimed, the Purchaser, without limiting the generality of Section 30 hereby irrevocably nominates, constitutes and appoints the Vendor (and any other party as may be directed by the Vendor) as its duly authorized attorney, agent and representative to amend, correct and complete, as applicable, such HST documentation including the Rebate form.

Regardless of whether or not the Purchaser is a registrant under the *Excise Tax Act*, the Purchaser shall not be entitled to self-assess the HST payable in respect of this transaction.

16. AGREEMENT CONDITIONAL

This Agreement and the transaction arising therefrom are conditional upon compliance with the subdivision control provisions of the *Planning Act* of Ontario, and amendments thereto, at the Vendor's expense.

17. AGREEMENT NOT TO BE REGISTERED

The Purchaser acknowledges this Agreement confers a personal right only and not any interest in the Property and that the registration against title of any notice or caution or other reference to this Agreement or the Purchaser's interest is likely to cause inconvenience and prejudice or irreparable harm to the Vendor and other purchasers of dwellings within the Subdivision. If any such registration occurs, the Vendor may terminate this Agreement forthwith and take full forfeiture of the Purchaser's deposits as liquidated damages and not as a penalty. Further, the Purchaser hereby irrevocably consents to a court order removing such registration and agrees to pay all Vendor's costs and expenses in obtaining such court order including, but not limited to, fees of its solicitors on a full indemnity basis together with any Applicable Taxes thereon. Additionally, the Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as the Purchaser's lawful attorney in the Purchaser's name, place and stead, without liability or claim, for the purpose of removing any such registration from title.

18. TENDER

Any tender of documents or money may be made by the Vendor upon the Purchaser hereto or upon the respective solicitor, will be deemed to be good and valid if made in accordance with the provisions of paragraph herein headed "ELECTRONIC REGISTRATION". The Vendor shall not be required to register any discharge of any outstanding mortgage, charge or other encumbrance not being assumed by the Purchaser on the Closing Date, in order to validate or perfect the Vendor's tender upon the Purchaser, and need only make arrangements to discharge same in accordance with the provisions of paragraph headed "TITLE" herein in the event that the Purchaser completes this transaction. The parties agree that payment of monies must be made or tendered in such form and by such method as may be directed in writing by the Vendor, in its sole, absolute, subjective and unfettered discretion. Unless otherwise directed, in accordance with the foregoing, payment shall be made by way of the Purchaser's solicitor's certified cheque drawn on a Schedule "1" Canadian Chartered bank. The Purchaser further acknowledges and agrees that the Vendor shall not be required to provide any key(s) as part of any tender made by it and that this Agreement provides for the release of keys following the Closing.

Notwithstanding anything contained herein to the contrary, in the event the Purchaser or the Purchaser's solicitor advise the Vendor or the Vendor's solicitors, on or before the Closing Date that the Purchaser is unable or unwilling to complete the purchase of the Property or take occupancy of same, the Vendor is relieved of any obligation to make any formal tender upon the Purchaser or the Purchaser's solicitor and the Purchaser may exercise forthwith any and all of its right and remedies provided for in this Agreement and at law.

19. EXTENSION, TERMINATION ETC.

- (a) The Purchaser acknowledges that the Closing Date as described in this Agreement may be extended in accordance with the Warranty Act and the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale.
- (b) The Vendor shall have a one-time unilateral right, at its sole, absolute, subjective and unfettered discretion, to extend the Firm Closing Date or Delayed Closing Date (as set out in the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale appended hereto), as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be.
- (c) Forthwith upon any termination of this Agreement the Purchaser shall execute and deliver to the Vendor the form of Mutual Release and Termination Agreement that may be required by the Vendor and/or Tarion in the circumstances of such termination.
- (d) In the event the Purchaser requests an extension to the Firm Closing Date or Delayed Closing Date, as the case may be, the Purchaser shall pay the Vendor's solicitor's fees and disbursements (plus Applicable Taxes and disbursements) with respect to such requests and any extensions.

20. AGREEMENT NOT TO MERGE WITH TRANSFER

All of the covenants, warranties and obligations contained in this Agreement to be performed by the Purchaser shall survive the closing of this transaction and shall remain in full force and effect notwithstanding the transfer of title to the Property to the Purchaser. It is provided that in the event of a breach of any covenant, warranty or obligation contained in this Agreement to be performed by the Purchaser, the Vendor shall be entitled, at its option, to declare this Agreement terminated and to retain all amounts paid by the Purchaser without prejudice to any other rights of the Vendor arising from that breach.

21. WAIVER

No provision of this Agreement may be waived by either party except in writing. The waiver of any of the provisions hereunder shall not affect the right of either party to enforce all other provisions not so waived.

The Purchaser acknowledges and agrees that in the event that the Vendor has entered this Agreement as a trustee or agent for and on behalf of an undisclosed beneficiary or principal, whether or not so stated herein, there shall be no liability on such undisclosed beneficiary or principal and the only recourse or remedy that the Purchaser shall have on default by the Vendor herein is against the Vendor and the Property, the Purchaser hereby waiving any rights of recovery or recourse against such beneficiary or principal whether in law, equity or otherwise.

22. SUBORDINATION AND ASSIGNMENT OF AGREEMENT

The Purchaser agrees that this Agreement shall be subordinate to and postponed to any mortgages arranged or to be arranged by the Vendor and any advances thereunder from time to time, and to any

easement, service agreement and other similar agreements made by the Vendor concerning the property or lands. The Purchaser agrees to do all acts necessary and execute and deliver all necessary documents as may be reasonably required by the Vendor from time to time to give effect to this undertaking and in this regard the Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as the Purchaser's lawful attorney in the Purchaser's name, place and stead for the purpose of signing all documents and doing all things necessary to implement this provision.

At any time prior to the Closing Date, the Vendor shall be permitted to assign this Agreement to any party registered as a Vendor pursuant to the Warranty Act, and upon notification of assumption of this Agreement and such assignment to the Purchaser, the Vendor shall be automatically released from all obligations arising pursuant to this Agreement and the assignee shall continue from the date of such assignment as the Vendor as if it had been the original party to this Agreement. Further, the Vendor may assign this Agreement and its covenants and obligations herein to any lender. As it relates to an assignment of this Agreement to a lender as aforesaid the lender's liability shall be limited as provided for in the assignment.

23. ACCEPTANCE

This Offer by the Purchaser when accepted by the Vendor shall constitute a binding agreement of purchase and sale, without requiring notice of such acceptance to be delivered to the Purchaser prior to such time. Without limiting the generality of the foregoing, acceptance of this offer (or any counter offer with respect thereto) may be made by way of telefax transmission, pdf electronic mail or similar electronic transmission, reproducing the original, provided all of the necessary signatures and initials of both parties hereto are duly reflected on (or represented by) the telefaxed, emailed or electronic copy of the Agreement are so transmitted, and such offer and/or acceptance shall be deemed to have been effected or made when the Agreement is telefaxed, emailed or sent electronically to the intended party, and the parties irrevocably acknowledge and agree that such telefaxed, emailed or electronic transmission of the Agreement shall be binding upon the parties to the same extent as if originally signed.

24. TIME OF ESSENCE

Time shall in all respects be strictly of the essence of this Agreement and no extension of time for any payment by the Purchaser or rectification of any breach of any agreement, stipulations, condition or restriction shall operate as a waiver of this provision with respect to any other payment or rectification of any other breach, except as specifically agreed upon in writing by the Vendor or the Purchaser, as the case may be.

25. PREPARATION AND COST OF REGISTERING DOCUMENTS

The Transfer is to be prepared by the Vendor on the Vendor's standard form. If required by the Vendor, the deed may contain covenants on the part of the Purchaser to comply with the stipulations set out herein, and is to be executed by the Purchaser. Any discharges of underlying mortgages (collectively, the "Discharges") shall be prepared by the Vendor on the Vendor's standard form; the Discharges to be at the expense of the Purchaser, being a fee of \$350.00 plus Applicable Taxes in total, irrespective of the number of Discharges required. The Purchaser shall pay the cost for registration and any exigible taxes on the registration of the Transfer and Discharges. The Purchaser agrees to provide a statutory declaration on or before closing confirming that there are no judgments outstanding against him and the Purchaser agrees to provide reasonable evidence confirming same, including a creditor's letter if necessary, if requested by the Vendor, if there is any judgment filed against a person with the same or similar name. That statutory declaration shall also include the birth date and social insurance number of the Purchaser.
